Cancellation and Refund

A \$25.00 service charge may be deducted from the refunded course fee for cancellation made five or more working days prior to course date. Refund will not be given if cancellation is made less than five working days prior to date. "No Shows" who do not attend class and do not give notice will be assessed at 100% of fee. C2 realizes last minute deadlines and schedule changes occur. However, if rescheduling within five business days prior to the course date is necessary, a \$25.00 rescheduling fee may be added to your invoice.

Enrollment

All sessions are hands-on with a one student per computer ratio. Training is held with a minimum of two students. If a minimum enrollment is not met, course length may be adjusted or rescheduled with advance notification. Completed registration form and payment must be received five working days prior to course date. Verbal reservations will not guarantee enrollment. Registrations by purchase order and credit card may be faxed directly to 414-431-0067.

*Discount applies to full series registrations paid in full 5 days prior to class start date.
